Instructions on Entering The Willis Tower

It will take 10 - 15 minutes (at the most) to get through security and to the 45th floor of Willis Tower.

When attendees arrive at the Willis Tower – Go to the Reception Desk on either the Wacker Drive or Franklin side of the Willis Tower.

The attendees will need to present their ID and let the receptionist know they are visiting Oracle on the 45th Floor. Then they will be given a pass and they will go to the screening area where they will go through a security check just like at the airport.

Once they are cleared, they will take the elevator bank to the 33rd floor (there are several elevator banks so take the one for floors 0 - 33). Change at 33 for Floors 42 - 47 and get off on the 45th floor. You will see the Oracle reception area right as you step off the elevator.
